Getting Started
Thank you for applying for the Child Sex Trafficking Screening and Services Act Regional Navigator Program Grant (RNPG-VOCA) from the Governor's Office of Crime Control and Prevention (GOCCP). The primary purpose of RNPG-VOCA is to develop two pilot programs in two separate jurisdictions requiring law enforcement and local Departments of Social Services, who have reason to believe a certain child is a victim of sex trafficking, to notify a Regional Navigator in their jurisdiction to obtain needed services for the child. The RNPG-VOCA was developed after Governor Hogan signed into law the Child Sex Trafficking Screening and Services Act of 2019. Before the development of a statewide program, GOCCP is conducting a pilot program in two pilot jurisdictions to evaluate program development, effectiveness, and ways to improve the program for future funding opportunities.

A grantee must coordinate and/or provide the following services for suspected child sex trafficking victims who are age 24 and under:

- Safety planning
- Emergency response
- Basic living needs, not including housing
- Trauma counseling and mental health services
- Drug and alcohol abuse treatment
- Legal services
- Victim advocacy, and
- Case management.

Providing services includes referrals to and ensuring child victims receive the services required under the Child Sex Trafficking Screening and Services Act of 2019.

This supports GOCCP’s objective of improving victim services for Maryland residents by identifying and establishing resources throughout the state to assist victims in achieving self-sufficiency, improving victim safety, and ensuring victims are aware of their rights and resources.

Priority will be given to requests that support the objectives outlined above, as well as the general goals of the Child Sex Trafficking Screening and Services Act of 2019. In addition to the specific program components required by this funding opportunity, GOCCP advocates the utilization of evidence-based practices and consistent data collection in all of its grant programs. - Child advocacy centers;
- Sexual assault crisis programs; or
- A qualified community-based victim services provider.

A qualified community-based victim services provider is defined as a nonprofit organization with demonstrated expertise providing direct services to victims of sex trafficking or sexually exploited youth; the capacity to provide victim-centered, trauma-informed case management for youth victims of sex trafficking; a demonstrated history of working in the community where services will be provided; and the ability to collaborate with other agencies, including law enforcement, sexual assault crisis programs, child advocacy centers, and other direct services providers.

All application budgets must fall within the range as noted below under “Funding Opportunity Description,” and those that do not are subject to removal from consideration.

II. PROGRAM DESCRIPTION

A. Requiring Agency
Governor’s Office of Crime Control and Prevention (GOCCP)

B. Opportunity Title
Regional Navigator Program Grant (RNPG-VOCA)

C. Submission Date
Friday October 11, 2019, by 3 PM

D. Funding Opportunity Description
The RNPG-VOCA was developed after Governor Hogan signed into law the Child Sex Trafficking Screening and Services Act of 2019, Chapter 559 of the 2019 Maryland legislative session. Chapter 559 establishes the Regional Navigator Program. The primary purpose of the Regional Navigators and the RNPG-VOCA is to develop Regional Navigators that serve all counties in the State.

GOCCP announces the availability of up to $400,000 in RNPG-VOCA grant funding through a competitive grant process, allocated over the course of one year from the federal Victims of Crime Assistance (VOCA) grant program. GOCCP anticipates making two awards for up to $200,000 each for FY 2019. Please note that applications that exceed the maximum award allocation noted above are subject to removal from consideration during the initial technical review.

C. PROGRAM REQUIREMENTS

A. Program Strategy
The purpose of this grant funding is to develop a pilot project to:
- Effectively identify children of trafficking using a comprehensive screening tool;
- Disseminate that screening tool to local law enforcement and local Departments of Social Services;
- Coordinate and/or provide identified or confirmed child sex trafficking victims with services outlined in statute, specifically:
  - Safety planning
- Emergency response
- Basic living needs, not including housing
- Trauma counseling and mental health services
- Drug and alcohol abuse treatment
- Legal services
- Victim advocacy, and
- Case management.

- Develop and implement a methodology to evaluate and report gaps in services in the Regional Navigator’s jurisdiction;
- Evaluate the effectiveness of the program, based on the number of children previously served in that jurisdiction, and the number of children served after the implementation of the pilot project.

Based on the information provided from pilot projects, the RNPG will expand to the rest of the State of Maryland by July 1, 2021.

The law requires law enforcement agents and local Departments of Social Services who have reason to believe a child is a victim of sex trafficking to notify a Regional Navigator in their jurisdiction or region to obtain needed services for the child as enumerated by Chapter 559. A grantee must coordinate and/or provide services for suspected child sex trafficking victims until the child reaches the age 24.

In accordance with Maryland Code, Family Law § 5-706, after the child is identified, within 24 hours of receiving a report of suspected physical or sexual abuse, the local DSS office or appropriate law enforcement agency shall see the child; attempt to have an on-site interview with the child’s caretaker; decide on the safety of the child, wherever the child is, of other children in the household; and decide on the safety of other children in the care and custody of the alleged abuser. An investigation must be conducted jointly by the local DSS office, the appropriate law enforcement agencies, and the local State’s Attorney’s Office. Appropriate law enforcement agencies may include federal partners, such as the Federal Bureau of Investigation or Homeland Security Investigations. All partnerships in the investigation of the case require written agreements that specify the standard operating procedures for the investigation and prosecution of reported cases of child sex trafficking. Child Advocacy Centers’ multidisciplinary teams may also be used as a resource for investigations.

Once the investigation has begun, it shall be completed within 10 days, including a determination of whether the child is a victim of sex trafficking. Applicants are encouraged to become familiar with Chapter 559 to review all necessary investigation requirements and provide a logic model. See an example of a logic model below. Additional resources for logic models can be found at University of Minnesota Center for Children, Youth and Families.
B. Grant Requirements - RNPG-VOCA

VOCA establishes eligibility criteria that must be met by all organizations that receive RNPG-VOCA funds. These funds are to be awarded to sub-recipients only for providing services to victims of crime through their staff. Each sub-recipient organization shall meet the following requirements:

- **Public or Non-profit Organization**: To be eligible to receive RNPG-VOCA funds, organizations must be operated by public or nonprofit organizations, or a combination of such organizations, and provide services to crime victims.
  - Grantee, if a non-profit entity, agrees to certify its non-profit status. Grantees may certify their non-profit status by submitting a statement to the awarding agency affirmatively asserting that the Grantee is a non-profit organization, and indicating that it has on file, and available upon audit, either – 1) a copy of the Grantee’s 501(c)(3) designation letter; 2) a letter from the Grantee’s state/territory taxing body or state/territory attorney general stating that the Grantee is a non-profit organization operating within the state/territory; or 3) a copy of the Grantee’s state/territory certificate of incorporation that substantiates its non-profit status. Grantees that are local non-profit affiliates of state/territory or national nonprofits should have available proof of (1), (2) or (3), and a statement by the state/territory or national parent organization that the Grantee is a local non-profit affiliate.

- **Record of Effective Services**: Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community.

- **Volunteers**: Sub-recipient organizations must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement. If sub-recipients are not using volunteers, a Volunteer Waiver must be submitted with a detailed explanation for such request. The VOCA regulations provide that only compelling reasons are sufficient for volunteer waivers. The Volunteer Waiver form and approval
process can be found at the end of this NOFA document.

- **Promote Community Efforts to Aid Crime Victims**: Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. Coordination efforts qualify an organization to receive RNPG-VOCA victim assistance funds, but are not activities that can be supported with RNPG-VOCA funds.

- **Help Victims Apply for Compensation Benefits**: Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking claim status.

- **Comply with Federal Rules Regulating Grants**: Sub-recipients must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the OJP Financial Guide. The OJP Financial Guide is available online at: https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf

- **Maintain Civil Rights Information**: Maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by the state grantee; and permit reasonable access to its books, documents, papers and records to determine whether the sub-recipient is complying with the applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

- **Comply with State Criteria**: Subrecipients must abide by any additional eligibility or service criteria as established by the state grantee, including submitting statistical and programmatic information on the use and impact of VOCA funds, as requested by the grantee.

- **Services to Victims of Federal Crimes**: Subrecipients must provide services to victims of federal crimes on the same basis as victims of state/local crimes.

- **No Charge to Victims for VOCA (Funded Services)**: Subrecipients must provide services to crime victims, at no charge, through the VOCA-funded project.

- **Client Counselor and Research Information Confidentiality**: Maintain confidentiality of client-counselor information, as required by state and federal law.

- **Confidentiality of Research Information**: Except as otherwise provided by federal law, no recipient shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA.

### C. Grant Requirements

Grantees will be required to track and measure program outputs and outcomes. Outputs and outcomes must be recorded and submitted to GOCCP on a quarterly basis. All grantees will be required to submit a fiscal year-end report that reflects the overall successes that were accomplished through the use of these grant funds. The report must describe in detail a comparison of trends prior to this funding, and after as a result of this funding for specific locations. This fiscal year end report will be due fifteen days after the end of the performance period, and must also be uploaded into the online grants management system.

The following is a sample list, and is not all inclusive of all potential outputs and outcomes that may be included in the final awards:

A. Electronic Funds Transfer (EFT)

GOCCP encourages the use of electronic funds transfer (EFT). To obtain the appropriate form, the address to submit the form, and a general overview, including FAQs, refer to the following website: http://comptroller.marylandtaxes.gov/Vendor_Services/Accounting_Information/Static_Files/GADX10Form20150615.pdf.

Cash or in kind resources used as match must be directly related to the project goals and objectives, documented, and clearly show the source, amount, and timing of all match contributions. Additionally, sources of match are restricted to the same uses allowed under the RNPG-VOCA program and must be documented in the same manner as RNPG-VOCA program funds (including financial and programmatic reports).

For guidance on calculating match, please refer to the match calculator located at http://goccp.maryland.gov/grants/tips-and-guidance/grant-match/.

C. Supplanting, Transparency, and Accountability

Federal funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose. See the Office of Justice Programs Financial Guide (Part II, Chapter 3). There are strict federal laws against the use of federal funds to supplant current funding of an existing program. Jurisdictions must provide assurances and certifications as to non-supplanting and the existence of proper administrative/financial procedures.

A strong emphasis is being placed on accountability and transparency. Grantees must be prepared to track, report on, and document specific outcomes, benefits, and expenditures attributable to the use of grant funds. VOLUNTEER WAIVER APPROVAL PROCEDURE

The Victims of Crime Act (VOCA) statute requires all eligible victim assistance programs to use volunteers in providing victim assistance services "unless and to the extent the chief executive determines that compelling reasons exist to waive this requirement." [42 U.S.C. 10603 (b) (1) (C)]. The OVC Guidelines define a "compelling reason" as "...a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort."

As a requirement, if an applicant requests a waiver for the use of volunteers in providing victim assistance services, the agency must complete the Volunteer Waiver Request Form, included with the VOCA Notice of Funding Availability (NOFA), and submit with the application by uploading the form in the documents section in GOCCP’s Grants Management System. On the form, applicants should provide a detailed explanation for such request to include the following details:

1. In the case of statutory or contractual provisions that prohibits the use of volunteers, attach a copy of the applicable statute or contract.

2. In the case of a lack of volunteers, if you list this as a reason for the waiver request, you must document the efforts made to recruit volunteers.

GOCCP staff will conduct an internal review of the form. If GOCCP determines that an applicant has a compelling reason which bars using volunteers or the inability to recruit and maintain volunteers after a sustained and aggressive effort, GOCCP will notify the applicant via email to advise that the volunteer waiver is approved.

If GOCCP determines that an applicant does not have a compelling reason which bars using volunteers or does not demonstrate the inability to recruit and maintain volunteers after a sustained and aggressive effort, GOCCP will notify the applicant via email to advise that the volunteer waiver is denied.

Volunteer Waiver Request Forms will be uploaded in the documents section in the Grants Management System and a hard copy will remain with the application in the grant file.
