II. BACKGROUND

On February 10, 2016, Governor Hogan announced funding for the Baltimore City Police & Youth Positive Engagement Program to foster constructive relationships and dialogue between Baltimore City youth and the law enforcement officers who are working hard to keep city neighborhoods safe.

It is well documented that an initial negative interaction between a police officer and youth can influence subsequent interactions within the justice system, making police officers critical gatekeepers. Juveniles who have contact with the justice system are at an increased risk of negative outcomes later in their life. Now, more than ever, it is important to provide opportunities that will allow law enforcement entities in Baltimore City to continue to grow their community partnerships.

Under this funding opportunity, grants will be focused on initiatives and strategies that support the hallmarks of the Developmental Approach to Juvenile Justice Reform, which are:

- Accountability Without Criminalization;
- Alternatives to Justice System Involvement;
- Individualized Response Based on Assessment of Needs and Risks;
- Confinement Only When Necessary for Public Safety;
- A Genuine Commitment to Fairness;
- Sensitivity to Disparate Treatment, and;
- Family Engagement.

Applicants should also incorporate the pillars of the President’s 21st Century Policing Task Force, which are:

- Building Trust and Legitimacy;
- Policy and Oversight;
- Technology and Social Media;
- Community Policing and Crime Reduction;
- Training and Education, and;
- Officer Wellness and Safety.

Applicants are also strongly encouraged to utilize elements of the Guide for Improving Relationships and Public Safety through Engagement and Conversation developed by the U.S. Department of Justice, Community Oriented Policing Services (COPS). The guide can be found online here: http://ric-zai-inc.com/Publications/cops-p321-pub.pdf.

III. ELIGIBILITY CRITERIA

Non-profit, community-based organizations who work with Baltimore City youth are eligible to apply. Additionally, applicants must demonstrate that they have the support and cooperation of Baltimore City law enforcement.

Jurisdictions must provide assurances and certifications as to non-supplanting and the existence of proper administrative/financial procedures.

If you are paying an employee directly, they should be entered in the Personnel category. For each position, list salary and fringe benefits as separate line items.

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.

Note: Fringe benefits cannot exceed 30% of reported salary costs. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Example justifications based on the Personnel category:

The Community Outreach Coordinator helps prepare, schedule, and develop trainings targeted for hospitals and other medical facilities. Annual salary is $60,000. She will be devoting 33% of her time to this project. We are requesting $60,000 *.33 = $20,000 in grant funds to support her time on this project.

**Justification (line 2):**
Fringe benefits @ 10% of salary. $20,000 *.10 = $2,000

**Justification (line 3):**
The Community Outreach Trainer makes presentations at hospitals and other medical facilities.
Annual salary is $40,000. She will be devoting 25% of her time to this project. We are requesting $40,000 * .25 = $10,000 in grant funds to support her time on this project.

Justification (line 4):
Fringe benefits @ 10% of salary. $10,000 * .10 = $1,000

Office supplies (program supplies should be listed in the ‘Other’ category) and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.
