Thank you for applying for the **Edward J. Byrne Memorial Justice Assistance Grant Program** from the **Governor's Office of Crime Control & Prevention (Office)**. The primary purpose of the Edward J. Byrne Memorial Justice Assistance Grant is to improve sentencing and correction policies, reduce crime in communities, provide public safety, protect victims, remove guns from violent offenders, track DNA, train local law enforcement, and provide state of the art technology to law enforcement.

As a result of a consistent decrease in Federal funding, only one application per agency will be accepted and reviewed for possible funding. All Edward J. Byrne Memorial Justice Assistance Grant applications will be subject to an extensive competitive review process.

The Governor’s Office of Crime Control & Prevention is coordinating development of a statewide criminal and juvenile justice strategic plan that will become the framework to more effectively administer federal and state funds intended for criminal and juvenile justice innovations, improvements and program development purposes. This new strategy will also reflect Governor Hogan’s commitment to collaboration by state and local agencies to use resources in the most effective and efficient way possible.

In FY 2017, as part of a strategy development process, the Governor’s Office of Crime Control & Prevention is requiring each jurisdiction to submit applications existing local strategies focused on the primary purpose listed above or priorities as they relate to potential grant programs and initiatives designed to improve the functioning of the criminal and juvenile justice systems. Local jurisdictions are asked to cite specific data (Uniform Crime Reports, gaps in services, etc.) to support requests for funds.

Submissions from each County should reflect the countywide priorities as well as the local priorities of the municipal governmental entities within these jurisdictions as established through collaborative actions.

The Governor’s Office of Crime Control & Prevention’s Edward J. Byrne Memorial Justice Assistance Grant supports a coordinated effort to help units of local government, state agencies, private entities, faith-based and community organizations, institutions of higher education and non-profit organizations achieve realistic goals and carry out jurisdictional strategic plans that increase public safety and address the needs of Maryland’s communities.
